How long have you known the student and in what capacity?

The student named above is applying for a scholarship to study Latin or Ancient Greek at the University of Southern Maine. We would appreciate your assessment of the student's work in the past and potential for advancement. Consider such things as motivation and enthusiasm as well as the student's ability to analyze forms and syntax, and to read and comprehend literature in the original language. Comments about relevant activities of the student outside the classroom are also welcome.

Please mail your letter of recommendation directly to:
