Astronomy

A one session introductory astronomy course

Yes, you.....running, jumping, scrambling, and clamoring through life.
You, the one enthralled in the maelstrom: fretting and flying in a feverish frenzy,
forgetting about the furious Universe above you.

Do you not have time to spend 4 – 6 weeks taking a course?
Do you wish you could learn the basics without having to commit too much time?

DO WE HAVE AN ASTRONOMY COURSE FOR YOU!

**ASTRONOMY
is not a
QUIET SCIENCE!**

Spend three hours in the star dome theatre and learn the basics of astronomy.
Learn about a sky that is bristling with action and energy:
Comets, meteors, planets, stars, galaxies, aurora, and more.

Give us one session and we'll give you a view of the cosmos that you'll never forget.
(You may register upon arrival)

Saturday

11:00 a.m. – 2:00 p.m.

Enrollment: \$15
